

Notification to Parents, Teachers, and Employee Organizations

From: Darryl W. Costanzo
Buildings & Properties Director /Asbestos Program Director
Diocese of Wheeling-Charleston

Date: August 2010

This Notification is to inform you that the Asbestos Management Plan, as prescribed by Federal Register, 40 CFR Part 763, Asbestos Containing Material in Schools, is located for your viewing in the Principal's Office of this school, as well as the Buildings & Properties Director's Office located at the Diocese of Wheeling-Charleston's Administrative Offices · 1307 Jacob Street · Wheeling, West Virginia 26003.

A Two (2) Hour Training Course for custodians/maintenance personnel has been completed and additional training is required for all new maintenance personnel employed by the School.

Periodic Surveillance Inspections are performed at six (6) month intervals during the months of March and September, and all response actions have been or will be performed as outlined in the Asbestos Management Plan.

As required by Section 763.85 (B) of the above mentioned document, a school must be reinspected within three (3) years after a Management Plan is in effect. The Diocese completed it's first Three (3) Year Reinspection in the Fall of 1991. The most recent inspection was completed in the Fall of 2003. A copy of this Reinspection may also be found in the Principal's Office. The AHERA Regulations further require a reinspection of the Asbestos-Containing Building Material (ACBM) at least once every three (3) years. The next Three Year Reinspection is scheduled for the fall of 2006.
